When we think of Thanksgiving, we often consider what is most meaningful to us: friends, family, health, and the fulfilling moments of laughter, togetherness, and experiences that comprise a life. Woven into the fabric of these experiences, and even more precious as we endure the impacts of COVID-19, are the animals that bring joy and companionship into our lives. As many of us have experienced

first-hand, the unconditional love of an animal can help us through the daily challenges brought on by a global pandemic.

This Thanksgiving, we are filled with gratitude for all of the animals in our lives, the support of our community and the privilege of doing this work. Throughout this tumultuous year, our spirits have been lifted as you have come together to support the most vulnerable, both humans and animals alike. Despite the obstacles presented by COVID-19, we have been able to continue services and provide a safe haven for homeless animals in need of shelter and care.

Here at Santa Barbara County Animal Services, we have a long list of things we are grateful for:

- **Our volunteers** who are the heartbeat of our shelters;
- **Our fosters and adopters** who have opened their homes and hearts to a shelter animal;
- **Our nonprofit partners** who elevate our work and make the impossible possible;
- **Our dedicated staff** who work tirelessly to keep our shelters running 24/7;
- **Our community veterinarians** who donate time and services to keep our pets healthy;
- **And YOU, our animal-loving community**—we appreciate your confidence, trust, and support!

It is an honor to be entrusted with caring for the animals needing shelter and care in our community—thank you. On behalf of all of us at Animal Services, we wish you and all of your family members, a warm and safe Thanksgiving.
